

ORBITOL INTELLIGENCE PRIVATE LIMITED

www.orbitol.in

INTRODUCTION

Orbitol Intelligence Pvt. Ltd. is a high-precision machining and engineering solutions company, delivering ultra-accurate components and tooling for mission-critical industries.

01

Specialized in precision CNC machining, moulds, and prototyping

02

Serving global industries:
Aerospace | Medical
Devices | Automotive |
Defense | Packaging

03

With a skilled engineering team and 24/7 lights-out machining, Orbitol stands for precision, productivity, and trust.

04

CNC machining, injection moulds, die-casting dies, compression moulds, and prototyping

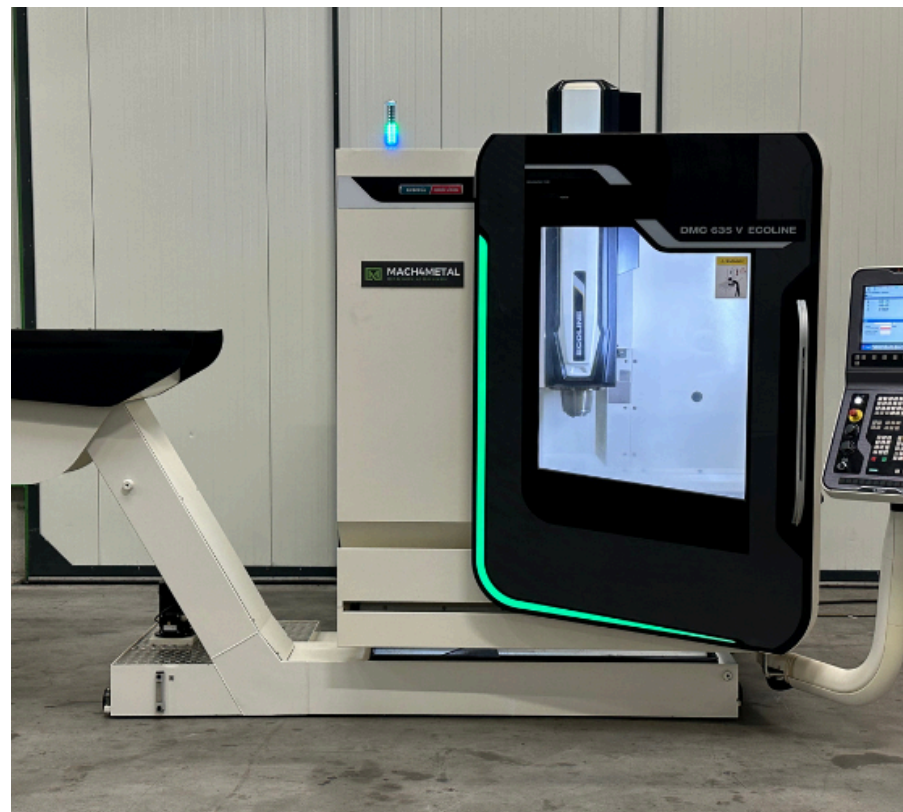

OUR FACILITIES

▶ **Swiss-Type Lathe |
TORNOS SWISS ST 26**

▶ **Swiss-Type Lathe | DMG
MORI SPRINT 20/8**

▶ **3-Axis VMC | DMG
MORI 635 V ECOLINE**

▶ **5-Axis VMC | DMG
MORI DMU 50**

WHO WE ARE

Orbitol Intelligence Pvt. Ltd. is a high-precision machining and engineering solutions company, delivering ultra-accurate components, tooling, and moulds for mission-critical industries.

We are part of the Sidhvandan Group, a reputed industrial investment platform that transforms and scales manufacturing businesses across India.

What We Do

- CNC Machining → 3-axis, 5-axis, Swiss-type with ± 5 micron accuracy
- Tooling & Moulds → Injection moulds, die-casting dies, compression moulds
- Prototyping & Simulation → In-house Moldflow & rapid prototyping solutions
- Multi-material Expertise → P20, Alumac, D2, Stavax & more

INDUSTRIES WE SERVE

- ▶ **Footwear Industry**
- ▶ **Medical Devices**
- ▶ **Automotive**
- ▶ **Aerospace**
- ▶ **Defense**

WHY ORBITOL

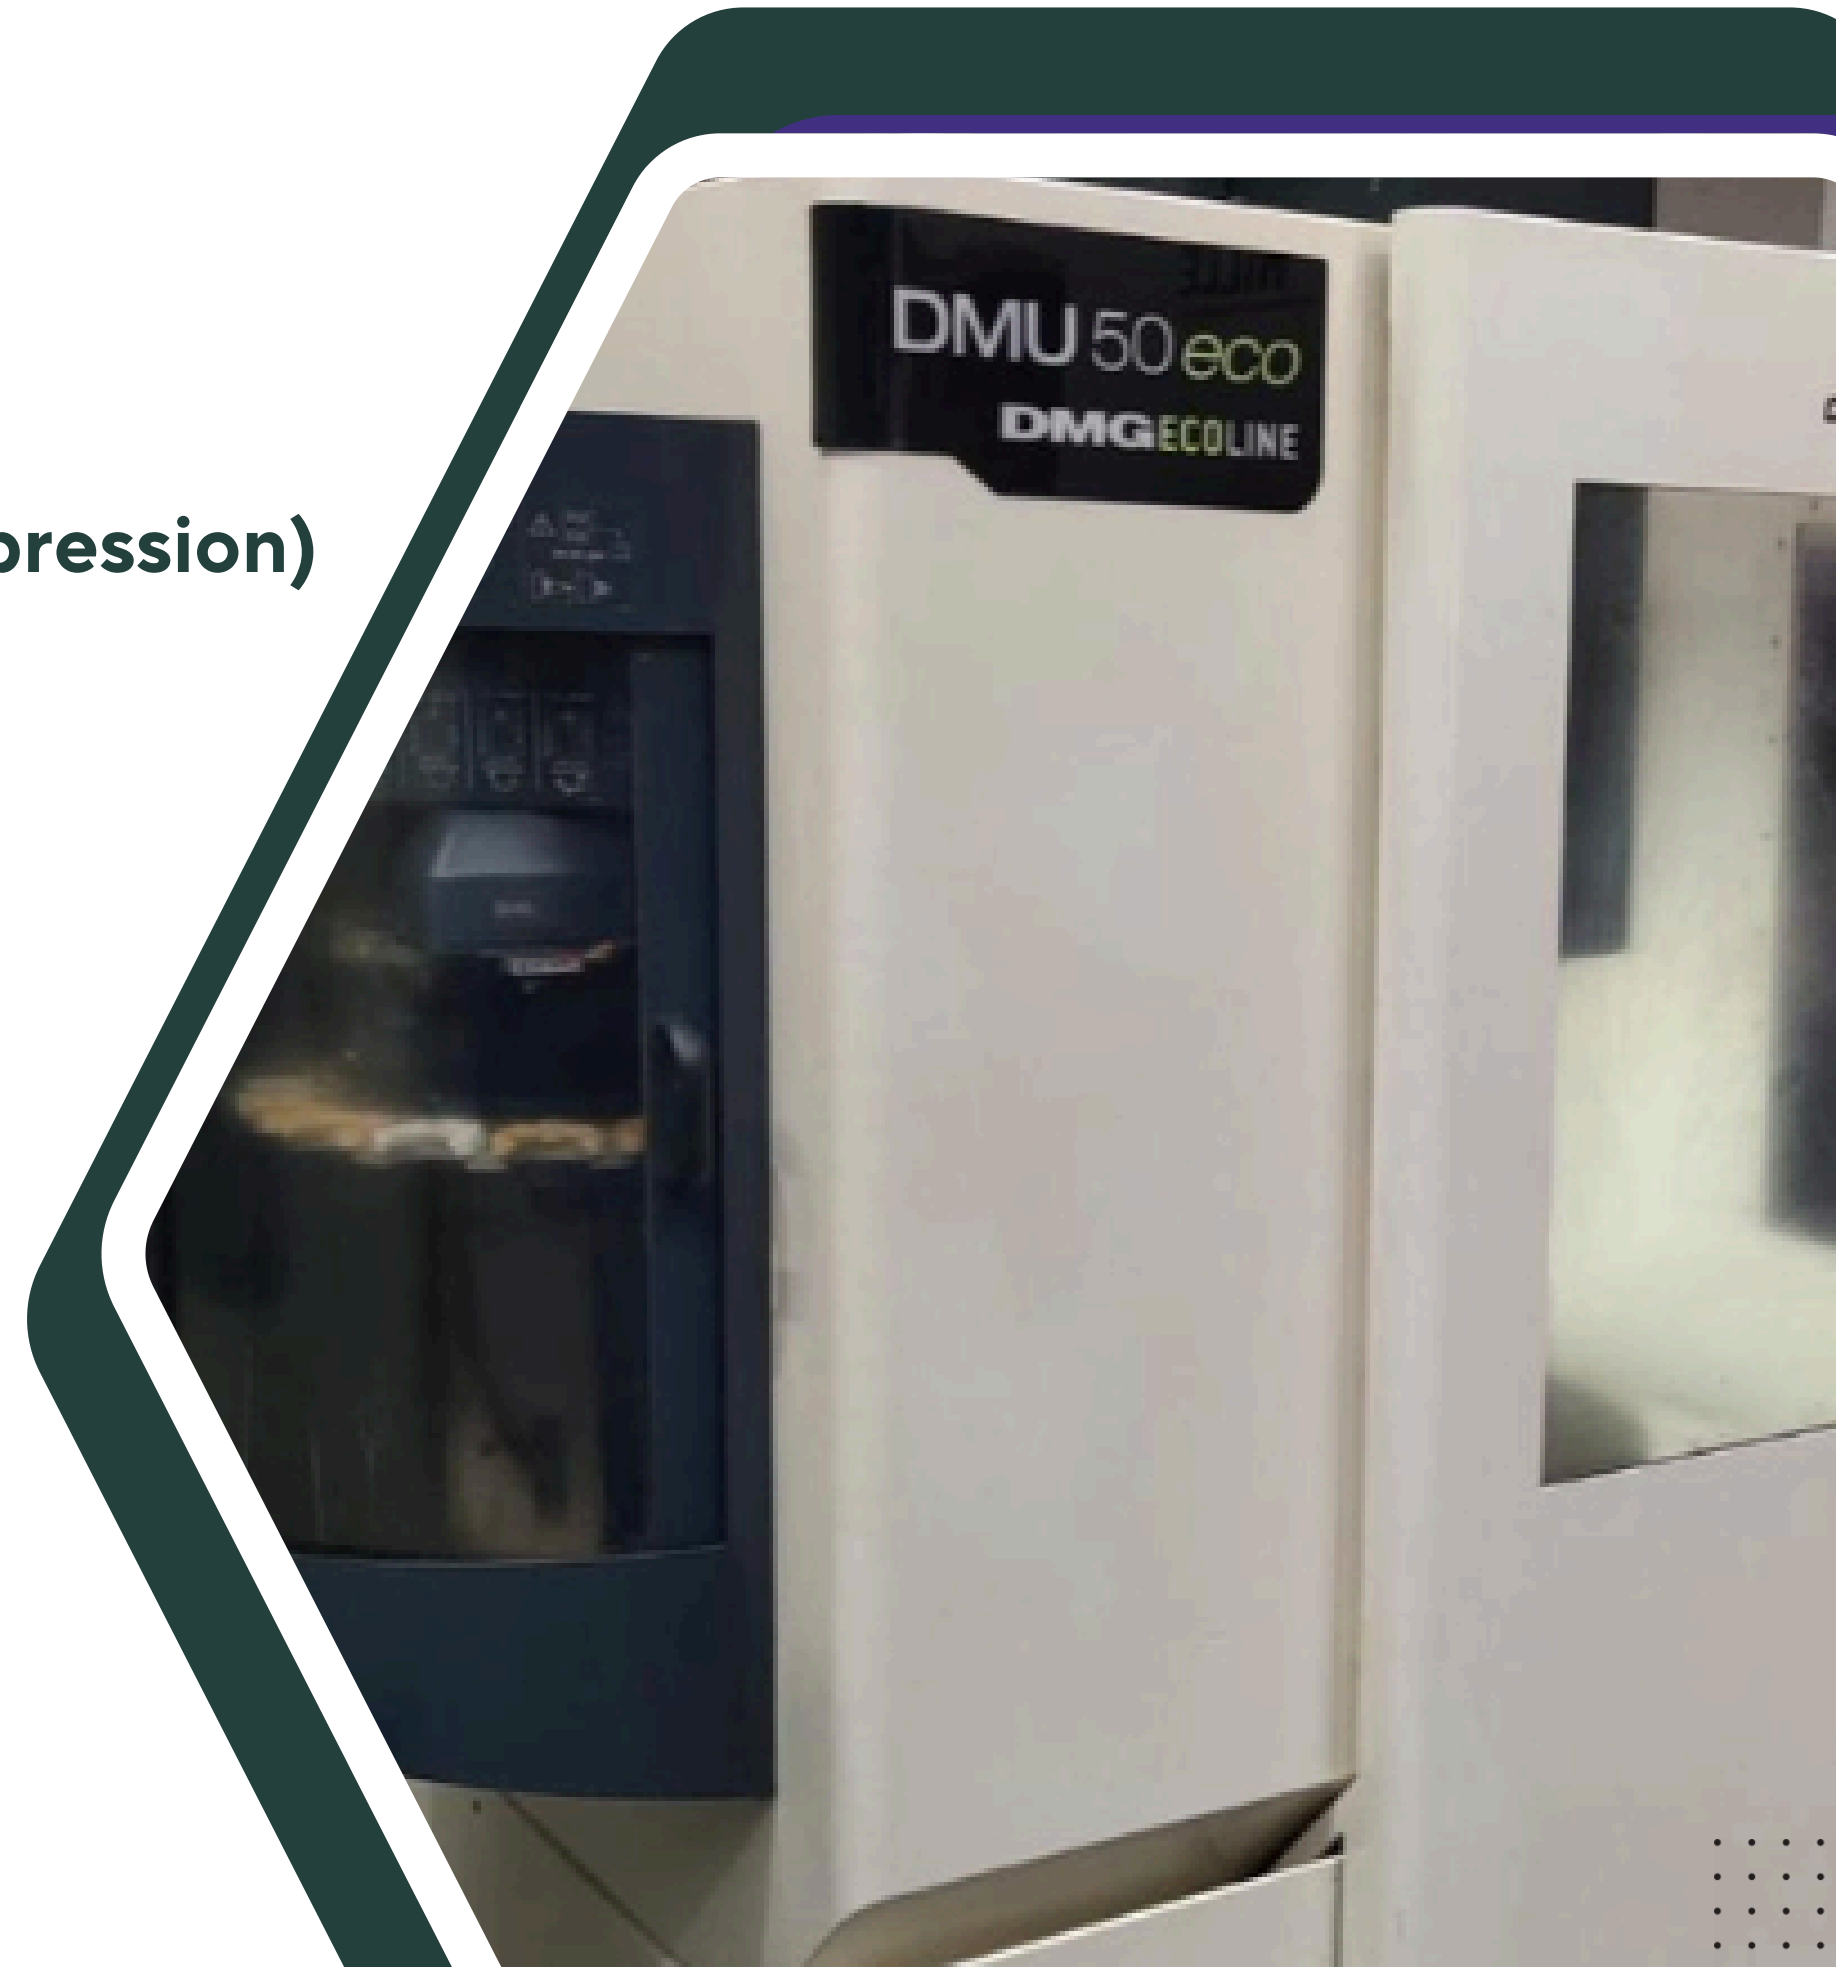

- ▶ **±5 Micron Accuracy**
- ▶ **24/7 Lights-Out Machining**
- ▶ **One-setup Complex Parts**
- ▶ **Proven Reliability**

OUR CAPABILITIES

- ▶ CNC Machining (3-axis, 5-axis, Swiss type)
- ▶ Tooling & Moulds (Injection, Die-Casting, Compression)
- ▶ Prototyping & Simulation
- ▶ Multi-material Expertise

TECHNOLOGY

- ▶ DMG MORI DMU 50 – 5 Axis
- ▶ DMG MORI 635 V Ecoline – 3 Axis
- ▶ DMG MORI Sprint 20/8 – Swiss Turning
- ▶ TORNOS SWISS ST 26

ORBITOL ADVANTAGE

- ▶ **Precision | Speed | Reliability**
- ▶ **Trusted by Precision-Critical Industries**
- ▶ **Backed by Sidhvandan Group**
